# #BEAUTYLAB

Beauty Lab is a premier medical spa conveniently located in the beautiful neighborhood of River Oaks. Created by the DeOrbegoso sisters, self-confessed "beauty junkies," with the mission of helping women and men discover their most beautiful self. Since then, they have personally hired highly trained and skilled staff dedicated to delivering the best results. Every member of the staff lives and breathes the company motto, "prejuvenating yourself." To the Beauty Lab team, this means offering treatments that not only rejuvenate the face and body but also slow down the aging process so that every client can enjoy their enhanced beauty even longer.

With this motto and the help of the high end Medspa's state-of-the-art equipment, its the perfect combination to keep the Beauty Lab patients ahead of the aging game. The Beauty Lab also has the honor of partnering with Dr. James Kern, one of the first doctors to introduce Smart Lipo to the Houston area. Patients looking for their dream body can trust Dr. Kern's 12 years of experience in Smart Lipo to provide, fast, effective and natural results.

The expert team at Beauty Lab invites you to discover the "prejuvenating" experience first-hand. Call now at 713-804-6391 for a free consultation and a personalized treatment plan to achieve your desired results.

#### **SMARTLIPO**

Ready to change your shape & change your life? Schedule your Free Consultation.

#### **SMART LIPO**

SmartLipo is laser assisted liposuction, which removes unwanted fatty deposits that cling to your abdomen, thighs, back, flanks, chin or arms.

James Kern is one of Houston's leading liposuction doctors with many years of experience as a Houston Laser surgeon.

He has performed thousands of liposuction procedures on both men and women, in accomplishing what both diet and exercise could not.

The minimal invasive procedure uses local anesthesia and is performed in the comfort and privacy of our in-house surgical suite. Most patients return to normal activities in a few days. Benefits are usually seen at the end of the first week and most patients see complete results within six months.

SmartLipo is even more affordable than you think. Our financial partners offer low monthly payment plans at very competitive rates.

#### WEIGHTLOSS

#### MEDICALLY SUPERVISED WEIGHT LOSS PLAN

At The Beauty Lab, we collaborate with our patients to implement dietary and lifestyle changes.

What sets our Weight Loss program apart from the rest is that we have our doctor supervise your weight loss journey with us by starting with a comprehensive evaluation of nutritional needs based on the patients health, blood test results, physical examination and dietary history.

Our Medically Supervised Weight Loss Plan Includes a consultation with Dr. Kern, routine check ups with our weight loss counselor, a low calorie meal plan, as well as B12 injections. We also have a 20 day or 40 day HCG program that has astonishing results.
